

HOUSE BILL 2259
By Cooper B

AN ACT to amend Tennessee Code Annotated, Title 4, Chapter 29
and Title 63, relative to surgical technologists.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF TENNESSEE:

SECTION 1. Tennessee Code Annotated, Title 63, is amended by adding the following
as a new chapter 31:

Section 63-31-101.

This act may be known and cited as the "Surgical Technologist Licensure
Act".

Section 63-31-102.

As used in this chapter, unless the context otherwise requires:

(1) "Board" means the board of medical examiners, created by
chapter 6 of this title;

(2) "Committee" means the committee for surgical technologists;

(3) "Division" means the division of health related boards; and

(4) "Licensed surgical technologist" means a person licensed
pursuant to this chapter.

Section 63-31-103.

A person is eligible to make application to the committee and receive a license if
such person:

(1) On July 1, 2004, has:

(A) At least three (3) years' clinical experience in a hospital,
medical office, surgery center or school;

(B) A current national certification in surgical technology approved by the committee; or

(C) Enrolled in a surgical technology program approved by the committee;

(2) Complies with the requirements of § 63-31-104;

(3) Such person is employed in a hospital and is approved by the governing body of such hospital as a surgical technologist; or

(4) Has received the recommendation of a physician or hospital for licensure and passes the examination approved by the committee pursuant to this act.

Section 63-31-104.

(a) The committee shall license by examination, or otherwise as provided in this chapter, all licensed surgical technologists in this state who meet the requirements of this chapter.

(b) A surgical technologist should be able to comprehend, access, organize, and evaluate information obtained by understanding surgical procedures. A surgical technologist shall meet the educational requirements set by this chapter, ensure an appropriate operating room environment, operate equipment safely and properly, and seek to maximize patient safety. A surgical technologist may also function as a technician in a surgeon's office.

(c) In order to be licensed as a surgical technologist, a person shall satisfactorily complete a program in surgical technology accredited by an organization approved by the committee. Such person shall obtain an appropriate national certificate, vocational school certificate or other certificate required by the committee.

(d) A surgical technology program shall address the performance of a surgical technologist in the following areas of curriculum:

(1) Orientation;

(2) Vocational relationship;

- (3) Medical terminology;
- (4) Patient care concepts;
- (5) Related nursing skills;
- (6) Anatomy and physiology;
- (7) Microbiology;
- (8) Wound healing;
- (9) Pharmacology;
- (10) Anesthesia;
- (11) Asepsis and the surgical environment;
- (12) Fundamental techniques and procedure;
- (13) General surgical procedure;
- (14) Obstetrics procedure;
- (15) Gynecology procedure;
- (16) Ear, nose and throat procedure;
- (17) Maxillofacial procedure;
- (18) Orthopedic surgical procedure;
- (19) Neurosurgery procedure;
- (20) Cardio-peripheral vascular procedure;
- (21) Thoracic procedure;
- (22) Ophthalmic surgery;
- (23) Genito-urinary procedure;
- (24) Cystoscopic procedure;
- (25) Plastic surgery;
- (26) Reconstructive surgery; and
- (27) Employability skills.

Section 63-31-105.

(a) A candidate for a license to practice as a licensed surgical technologist shall submit an application accompanied by the required fees. The

committee shall prescribe the form of the application and the dates by which applications and fees must be received.

(b) To qualify for the licensing examination, the applicant shall have successfully completed a surgical technology education program approved by the committee.

Section 63-31-106.

(a) Except as otherwise provided in this chapter, to qualify for a license an applicant shall pass a competency examination. The examination prescribed by the committee shall be a nationally recognized examination.

(b) Not later than forty-five (45) days after the date on which a licensing examination is administered, the division shall notify each examinee of the results of the examination.

(c) The committee shall establish:

(1) A limit on the number of times an applicant who fails an examination may retake the examination;

(2) The requirements for reexamination; and

(3) The amount of any reexamination fee.

Section 63-31-107.

(a) A license to practice surgical technology is valid for two (2) years. The committee may provide that licenses expire on various dates. A person may renew an unexpired license by submitting proof of compliance with the continuing professional education requirements prescribed by the committee and paying the required renewal fee to the committee before the expiration date of the license.

(b) If a person's license has been expired for not more than two (2) years, the person may renew the license by submitting proof, satisfactory to the committee, of compliance with the continuing professional education requirements prescribed by the committee and any penalty fee prescribed by the committee.

(c) If a person's license has been expired two (2) years or more, the person may not renew the license. The person may obtain a new license by submitting to reexamination and complying with the current requirements and procedures for obtaining a license.

(d) The committee may renew without reexamination an expired license of a person who was licensed in this state, moved to another state, and is currently licensed or certified and has been in practice in another state for two (2) years immediately preceding the person's application to renew a license. The person shall pay the required fee as established by the committee. The committee shall not renew an expired license pursuant to this subsection if such expired license is subject to a penalty or restriction in another state.

(e) The committee shall notify each license holder in writing of the license expiration date more than thirty (30) days before such date by notice to the license holder at the license holder's last known address according to the records of the committee.

Section 63-31-108.

On receipt of an application and application fee, the committee may waive the examination and educational requirements for an applicant who at the time of application is appropriately licensed or certified by another state, territory or possession whose requirements for the license or certificate are substantially equivalent to the requirements of this chapter, and such applicant is not under any restriction or encumbrance imposed by such state.

Section 63-31-109.

(a) A person may not engage in or offer to engage in the practice of surgical technology for compensation or use the title or represent or imply that the person has the title of licensed surgical technologist or use the letters "LST" and may not use any facsimile of such title in any manner to indicate or imply that the person is a licensed surgical technologist unless the person holds an appropriate license issued pursuant to this chapter.

(b) Any person who violates the provisions of subsection (a) shall be considered to be practicing medicine without a license and shall be subject to appropriate legal action by the board of medical examiners.

Section 63-31-110.

The provisions of this chapter shall not apply to:

(1) A person licensed as a health care professional in this state if:

(A) The person does not represent to the public, directly or indirectly, that the person is licensed pursuant to this chapter, and does not use any name, title or designation indicating that the person is licensed pursuant to this chapter; and

(B) The person limits the person's acts or practice to the scope of practice authorized by the appropriate licensing agency; or

(2) A student enrolled in an accredited surgical technologist education program if the services performed are:

(A) An integral part of the student's course of study; and

(B) Performed under the direct supervision of a licensed surgical technologist assigned to supervise the student and who is on duty and immediately available in the assigned patient care area; or

(3) The practice of any legally qualified surgical technologist employed by the United States government while in the discharge of the person's official duties.

Section 63-31-111.

(a) To assist the board of medical examiners in the performance of its duties, there is hereby established the committee for surgical technologists. The committee shall approve the examination required by this chapter. The chair of the committee shall be a surgical technologist.

(b) The committee shall consist of seven (7) members, of whom four (4) shall be surgical technologists; one (1) shall be a hospital administrator from a licensed health care facility in Tennessee in which surgery is performed; one (1)

shall be a licensed physician; and one (1) shall be a public member. The public member shall be a resident of Tennessee for one (1) year and shall be a registered voter. Members shall be appointed by the governor upon recommendation by the committee. The members of the committee shall be appointed for terms of six (6) years, except those first appointed, of whom one (1) shall be appointed for a term of one (1) year, one (1) shall be appointed for a term of two (2) years, two (2) shall be appointed for a term of three (3) years, one (1) shall be appointed for a term of four (4) years, one (1) shall be appointed for a term of five (5) years and one (1) shall be appointed for a term of six (6) years. The surgical technologist committee members shall be residents of the state of Tennessee for at least one (1) year, shall be United States citizens and shall meet all the requirements for licensing provided in this chapter. In making appointments to the committee, the governor shall ensure that the committee is representative of the environments in which surgical technologists practice. In making appointments to the committee, the governor shall strive to ensure that at least one (1) person serving on the committee is sixty (60) years of age or older and that at least one (1) person serving on the committee is a member of a racial minority. Of the total membership of the committee, no less than two (2) members shall be from each grand division of the state. In making the initial appointments to the committee, the surgical technologist members shall not be required to be licensed but shall apply for a license from the committee within ninety (90) days of the issuance of licenses by the committee.

(c) If a member of the committee shall, during the member's term as a committee member, remove the member's domicile from the state of Tennessee, then the committee shall immediately notify the governor and the seat of that committee member shall be declared vacant. All such vacancies shall be filled by appointment in the same manner as the preceding appointment.

(d) No member of the committee shall be entitled to any compensation for the performance of the member's official duties but shall receive

compensation for travel expenses pursuant to the comprehensive travel regulations promulgated by the department of finance and administration and approved by the attorney general and reporter.

(e) A member of the committee may be removed by the governor, if the member:

(1) Does not have, at the time of appointment, the qualifications required for appointment to the committee;

(2) Does not maintain during service on the committee the qualifications required for appointment to the committee;

(3) Violates any provision of this chapter;

(4) Cannot discharge the member's duties for a substantial part of the term for which the member is appointed because of illness or disability; or

(5) Is absent from more than one half (1/2) of the regularly scheduled committee meetings that the member is eligible to attend during a calendar year, unless the absence is excused by a majority vote of the committee.

Section 63-31-112.

Not later than thirty (30) days after the governor appoints the initial members of the committee and annually thereafter, the committee shall meet and elect one (1) of its members as chair and one (1) of its members as vice chair. The committee shall meet at least quarterly or at any other time if called by the chair or a majority of the committee. A majority of the members of the committee shall constitute a quorum.

Section 63-31-113.

(a) The committee shall:

(1) Adopt and publish a code of ethics;

(2) Establish the qualifications and fitness of applicants for licenses, renewal of licenses and reciprocal licenses;

(3) Establish the grounds for revocation, suspension, or denial of a license;

(4) Establish the grounds for placing on probation a holder of a license;

(5) Establish the categories of fees and the amount of fees that may be imposed in connection with a license;

(6) Establish continuing professional education requirements for licensed surgical technologists; and

(7) Assist in such matters dealing with surgical technology as the board may, in its discretion, direct.

(b) Any actions taken under this section shall only be effective after adoption by a majority vote of the members of the committee. The board of medical examiners, by a majority vote of its members at the next board meeting at which administrative matters are considered, may rescind or supersede any action taken by the committee.

Section 63-31-114.

(a) The committee shall keep an information file about each complaint filed with the committee. The committee's information file shall be kept current and contain a record for each complaint of:

(1) All persons contacted in relation to the complaint;

(2) A summary of findings made at each step of the complaint process;

(3) An explanation of the legal basis and reason for a complaint that is dismissed; and

(4) Other relevant information.

(b) If a written complaint is filed with the committee that the committee has authority to resolve, the committee at least as frequently as quarterly and until final disposition of the complaint shall notify the parties to the complaint of the status of the complaint unless the notice would jeopardize an ongoing investigation.

(c) The committee shall develop a form to standardize information concerning complaints made to the committee. The committee shall prescribe information to be provided to a person when the person files a complaint with the committee.

(d) The committee shall provide reasonable assistance to a person who wishes to file a complaint with the committee.

Section 63-31-115.

(a) The committee shall promulgate rules pursuant to the Uniform Administrative Procedures Act, compiled in Title 4, Chapter 5, concerning the investigation of a complaint filed with the committee. The rules adopted pursuant to this section shall:

- (1) Distinguish between categories of complaints;
- (2) Ensure that complaints are not dismissed without appropriate consideration;
- (3) Require that the board be advised of a complaint that is dismissed and that a letter be sent to the person who filed the complaint explaining the action taken on the dismissed complaint;
- (4) Ensure that the person who filed the complaint has an opportunity to explain the allegations made in the complaint;
- (5) Prescribe guidelines concerning the categories of complaints that require the use of a private investigator and the procedures for the committee to obtain the services of a private investigator; and
- (6) Provide that all valid complaints requiring disciplinary action be referred to the board for disposition.

(b) The committee shall consider all complaints in a timely manner.

Section 63-31-116.

The board, after receiving findings and a report from the committee, may revoke or suspend a license, place on probation, or reprimand a license holder if there is proof of:

- (1) Any violation of the provisions of this chapter;
- (2) Any violation of a rule or code of ethics adopted by the committee; or
- (3) Unprofessional conduct, which includes, but is not limited to:
 - (A) Incompetence or gross negligence in carrying out usual surgical technology functions;

(B) A conviction of practicing surgical technology without a license;

(C) The use of advertising relating to surgical technology in a way that violates state law;

(D) Procuring a license by fraud, misrepresentation or mistake;

(E) Making or giving any false statement or information in connection with the application for a license;

(F) Conviction of a felony or of any offense substantially related to the qualifications, functions and duties of a surgical technologist, in which event the record of the conviction shall be conclusive evidence of such offense; or

(G) Impersonating an applicant or acting as proxy for an applicant in any examination required pursuant to this chapter for the issuance of a license.

Section 63-31-117.

(a) While an individual's application is pending, the committee may issue a temporary license to that individual if the individual is:

(1) Licensed, registered or certified as a surgical technologist in another jurisdiction;

(2) Has completed the examination required by Section 63-31-106; or

(3) Has submitted information to the committee that the individual has completed three (3) years of required clinical experience pursuant to Section 63-31-103.

(b) A temporary license will allow the individual to function as a surgical technologist under the provisions of this chapter. A temporary license issued under this section shall be valid for a period of six (6) months and is not renewable.

Section 63-31-118.

The provisions of this act shall not apply to any hospital in a county with a population of less than thirty-five thousand (35,000) according to the 2000 federal census or any subsequent federal census.

Section 63-31-119.

The committee may promulgate rules pursuant to the Uniform Administrative Procedures Act, compiled in Title 4, Chapter 5, to administer the provisions of this chapter.

SECTION 2. Tennessee Code Annotated, Section 4-29-227(a), is amended by adding a new item thereto, as follows:

() Committee for surgical technologists, created by Section 63-31-111;

SECTION 3. If any provision of this act or the application thereof to any person or circumstance is held invalid, such invalidity shall not affect other provisions or applications of the act which can be given effect without the invalid provision or application, and to that end the provisions of this act are declared to be severable.

SECTION 4. For the purpose of appointing members to the committee and for promulgating rules and regulations, this act shall take effect upon becoming a law, the public welfare requiring it. For all other purposes this act shall take effect July 1, 2004, the public requiring it
